EARTH SCIENCE 2025/2026 **HOMEWORK #18**

NAME:

---

1. **<u>Review Classwork #18</u>.**

2. **Explain the *connection* between the following: river, stream, watershed, river basin.** (You may want to sketch an illustration here.)

3. During class, we learned about the greatest river of Africa – Nile; the greatest river of South America – Amazon; and the greatest river system of North America – Missouri-Mississippi. **Search the Internet for the <u>greatest rivers of Europe, Asia, and Australia</u>. List them below and provide any additional relevant details.**

   Europe:

   Asia:

   Australia:
