

## Math Enrichment 4-5

### Class Work 16

**Problem 1** This is the traffic light. Trace and color in the lights according to the traffic light rule.

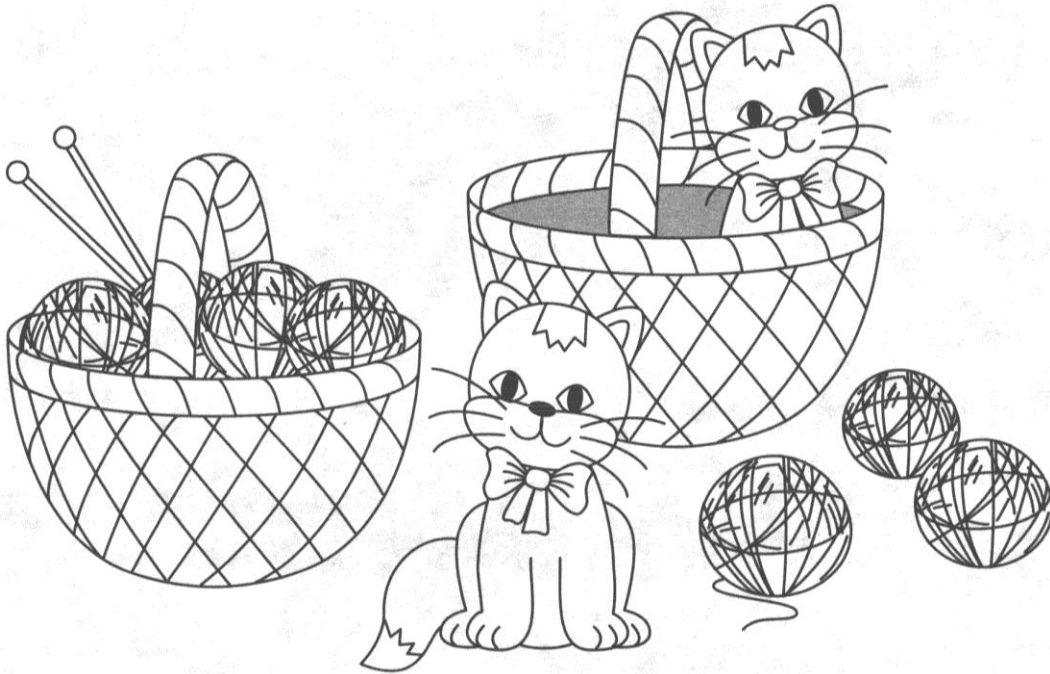

### Problem 2

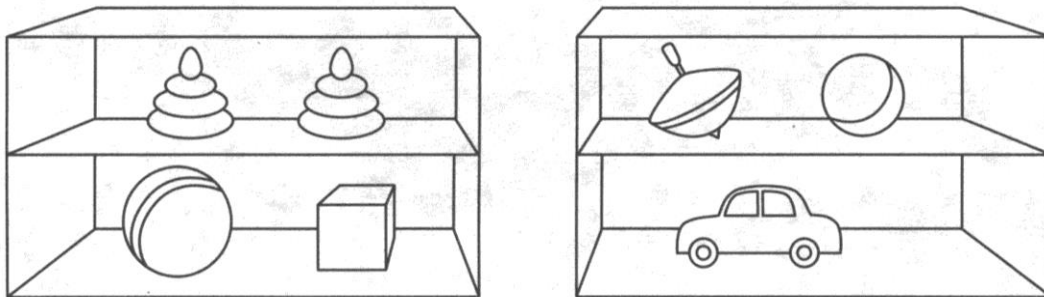

Circle all the objects that have a cylinder shape.

**Problem 3** Color a kitten in the basket in orange, a kitten in front of the basket in black. Color knitting balls (yarn) in the basket in blue; and knitting balls (yarn) to the right of the black kitten in red color.

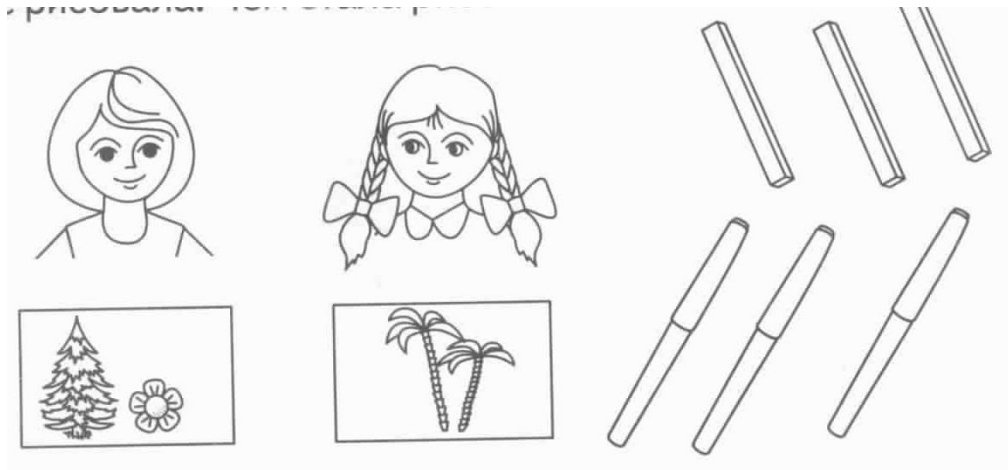

Color in blue all the toys on the top shelf to the left. Color the toys on the lower right shelf in green; toys on the top right shelf in yellow, and toys on the lower left shelf in red.

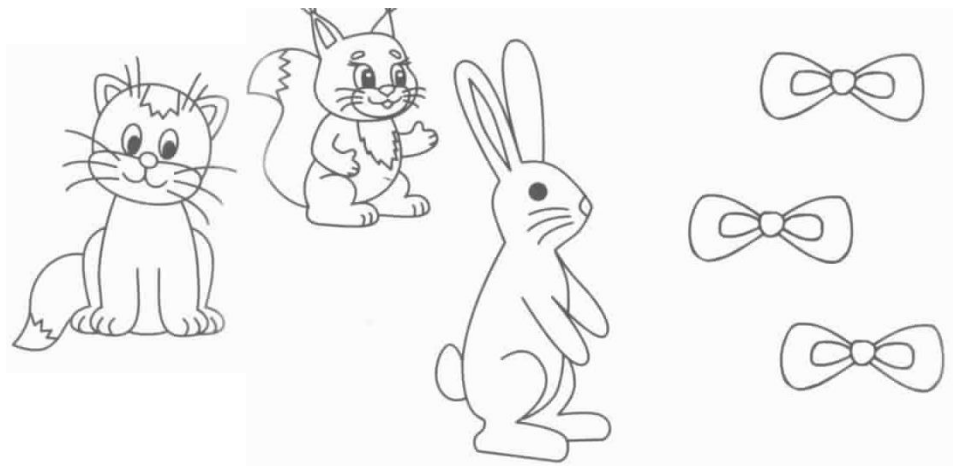

### Problem 4

Anna and Mary worked on art projects. One of the girls used markers other used crayons. Anna did not use markers. What did Mary use?

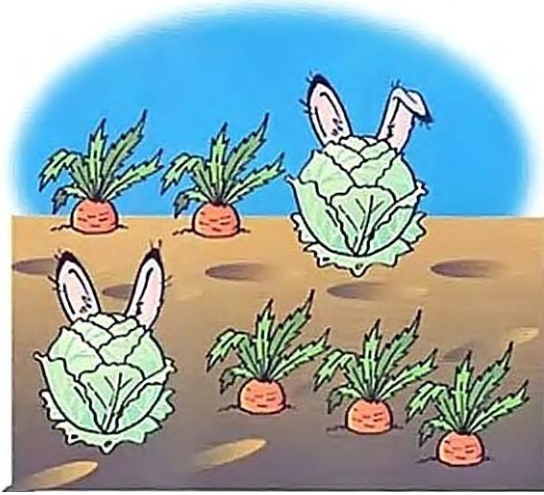

### Problem 5

There are 3 bows: red, green and blue. Find a bow for each animal. We know that Bunny doesn't have a blue or a red bow. Squirrel has neither a green nor a red bow. What color of a bow does a Kitten have? What color bows do Bunny and Squirrel have?

### Problem 6

Look at the pictures. Who is hiding in the pictures?

How many ears can you spot?

How many hoofs can you spot?

How many tails can you find?

### Problem 7

Count the objects in the pictures and write the correct number in the boxes below each picture.
