

NAME: \_\_\_\_\_

1. **DIY (Do-It-Yourself) Reading:** on the school website, on our class homework page, find and study “Reading Material: History of cartography”. Answer a question on the last slide.
2. **Let’s go biking in Italy** (map shown below)!
  - a. Fill in the cardinal directions of the compass rose; add intercardinals.
  - b. Design a route including at least 5 cities; indicate start and end points.
  - c. For each leg of the route (between two consecutive cities), indicate the course direction i.e. the rhumb (example: “Start at A. From A head *NNW* to B. From B head *SE* to C”, and so on). Show your work on the back of this page.
