

SchoolNova * French Intermediate
2018-19

I am delighted to start my tenth year at SchoolNova, sharing my love of the French language with the students. We will start the year with extensive review and will move on to the following topics:

Family and House

Sport and leisure

Professions

My body and health

Travel and transportation

Shopping

Geography of France and francophonie

Come to class with a **binder** (or a folder), **loose leaf AND a pen**. If you choose to write in a notebook, also bring a folder for the printouts. Your **homework** should be done neatly on **loose leaf** so that it is corrected. Always reviewed your notes before you start the homework. **Read aloud** in French at least twice a week and study regularly. Be attentive in class and ask questions.

Here is a simple interactive website to review basic vocabulary:

This is the best way to communicate with me, or see me after class at 11am.

Bonne année scolaire ! *Have a great year !*
