

SchoolNova * French Advanced
2018-19

I am delighted to start my tenth year at SchoolNova, sharing my love of the French language with the students. The course is entirely in French. We will read 2 novels this year: a classic from the French literature and a more contemporary novel. I will try to find free .pdf files online.

Come to class with **a binder** (or a folder), **loose leaf AND a pen**. If you choose to write in a notebook, also bring a folder for the printouts. Your homework should be done neatly on loose leaf so that it is corrected. Always reviewed your notes before you start the homework. Read aloud at least twice a week and study regularly. Be attentive in class and ask questions.

For dictionary, you can use the following online dictionary:

This is the best way to communicate with me, or see me after class at 11am.

Bonne année scolaire !
