

NAME:

1. Picture yourself eating ice-cream on a hot summer day☺ Identify three forms of energy that are involved in the process (you may want to sketch a picture and label it).
2. Do you think energy generators actually generate energy☺? Explain.
3. How do you understand the term “renewable energy”? Provide examples.
4. On December 16, THE LAST SUNDAY BEFORE THE WINTER BREAK, we will play a HEADBANZ GAME based on what we have learned so far. Please continue to study hard for it!!!
