# Enrichment 3-4

Homework 21

Problem 1
Which object doesn't belong in each row? Explain why.

Problem 2
How many cars are hidden in the picture?
Color the smallest one red.

Problem 3
Who is small? Who is big? Color the large size animal only.

Color small apples in green. Color big apples in red.

Problem 4
Connect the numbers with the matching pictures.

Problem 5
Circle the direction each animal is looking into: **Left** or **Right**.

Problem 6

What pictures are missing in the patterns? Draw a line from the picture on the right to the empty box.

Problem 7

Find 7 differences between the pictures.
