

Enrichment 3-4

Homework 26

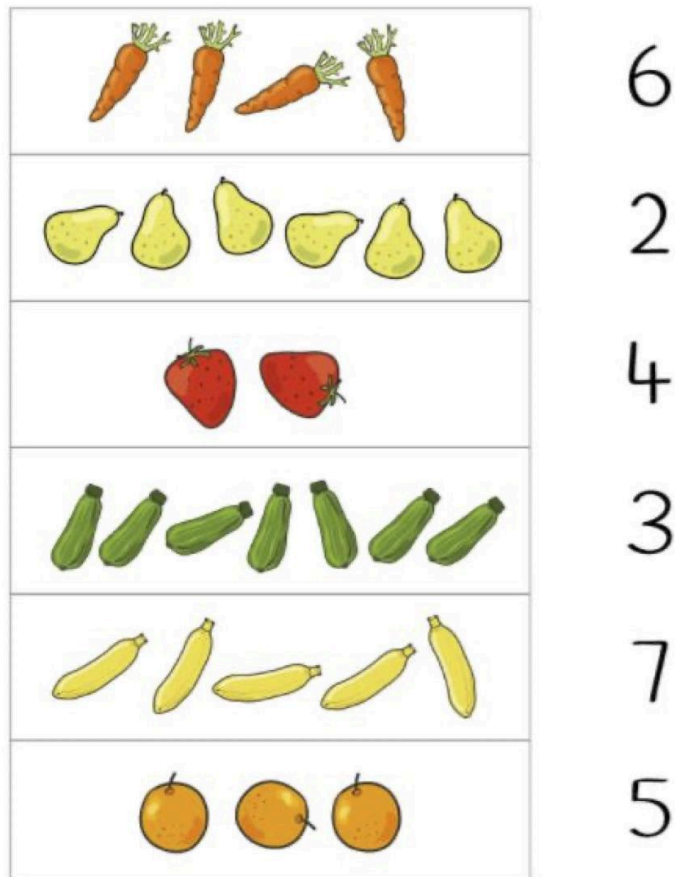

Problem 1

Find the ball that is matching the ball in the box and color them in the SAME way.

Problem 2

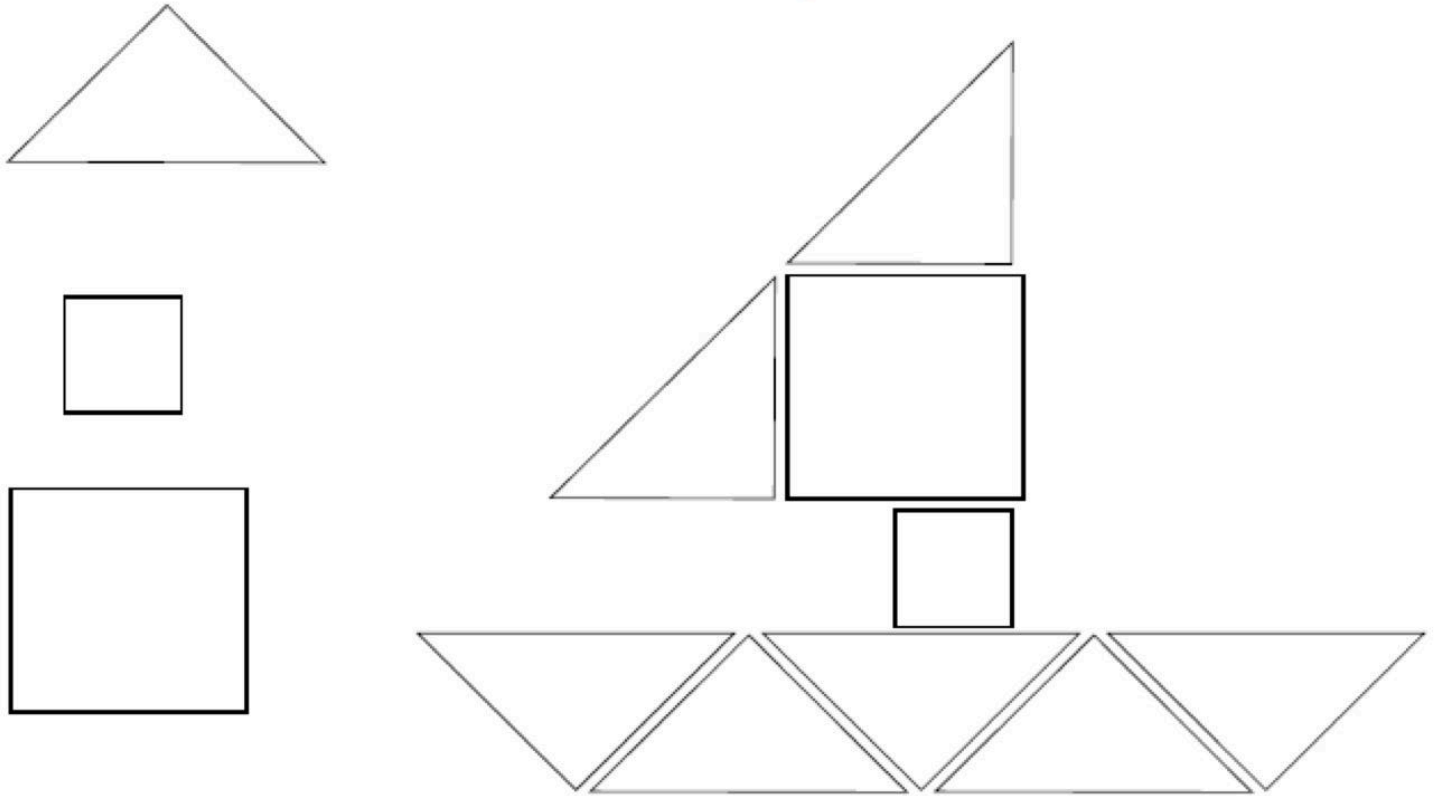

Count the objects in the box and draw a line from the box to the matching number.

Problem 3

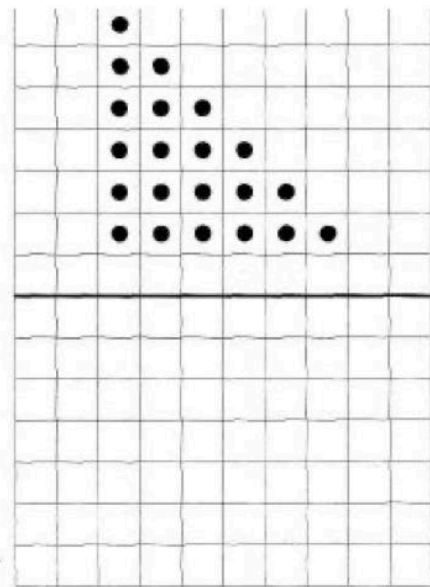

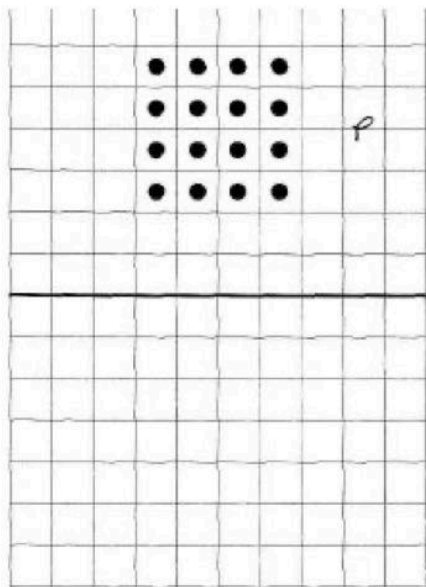

Name the shapes and count how many of each shape you see in the picture.

*Extra task: from a separate piece of paper cut out the given number of each shape and ask your child to copy the picture using these shapes.

Problem 4

Copy the pattern in the provided grid.

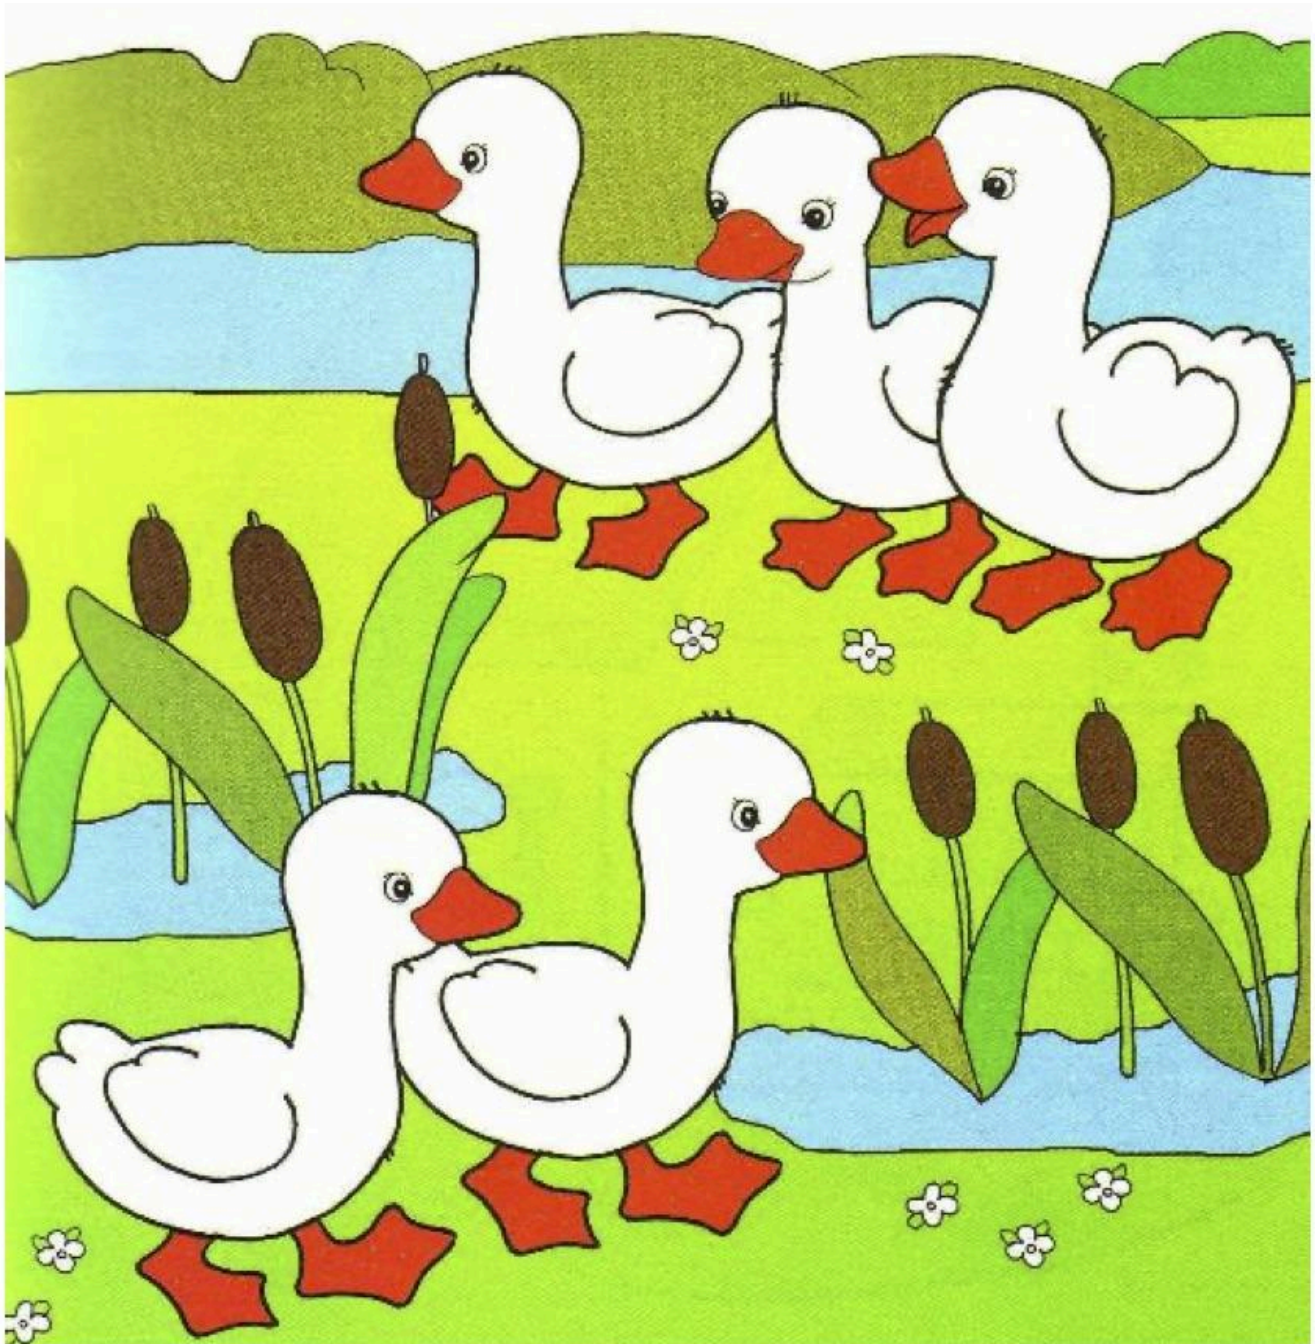

Problem 5

Count: how many ducks are looking to the left?

How many ducks are looking to the right?

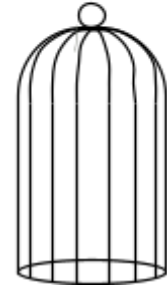

Color the ducks that are walking to the right in yellow.

Color the flowers that are to the right of the yellow ducks in red and the flowers that are to the left of the yellow ducks - in blue.

Problem 6

Find the sentence with the right preposition for each picture.

The parrot is **INSIDE** the cage.

The parrot is **IN FRONT** of the cage.

The parrot is **UNDER** the cage.

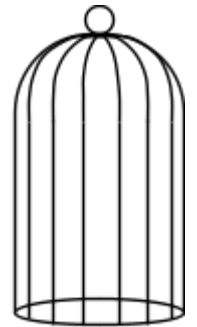

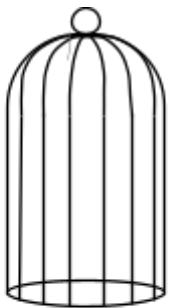

The parrot is **ON** the cage.

The parrot is **BESIDE** the cage.

The parrot is **BEHIND** the cage.

The parrot is **ABOVE** the cage.

The parrot is **NEAR** the cage.

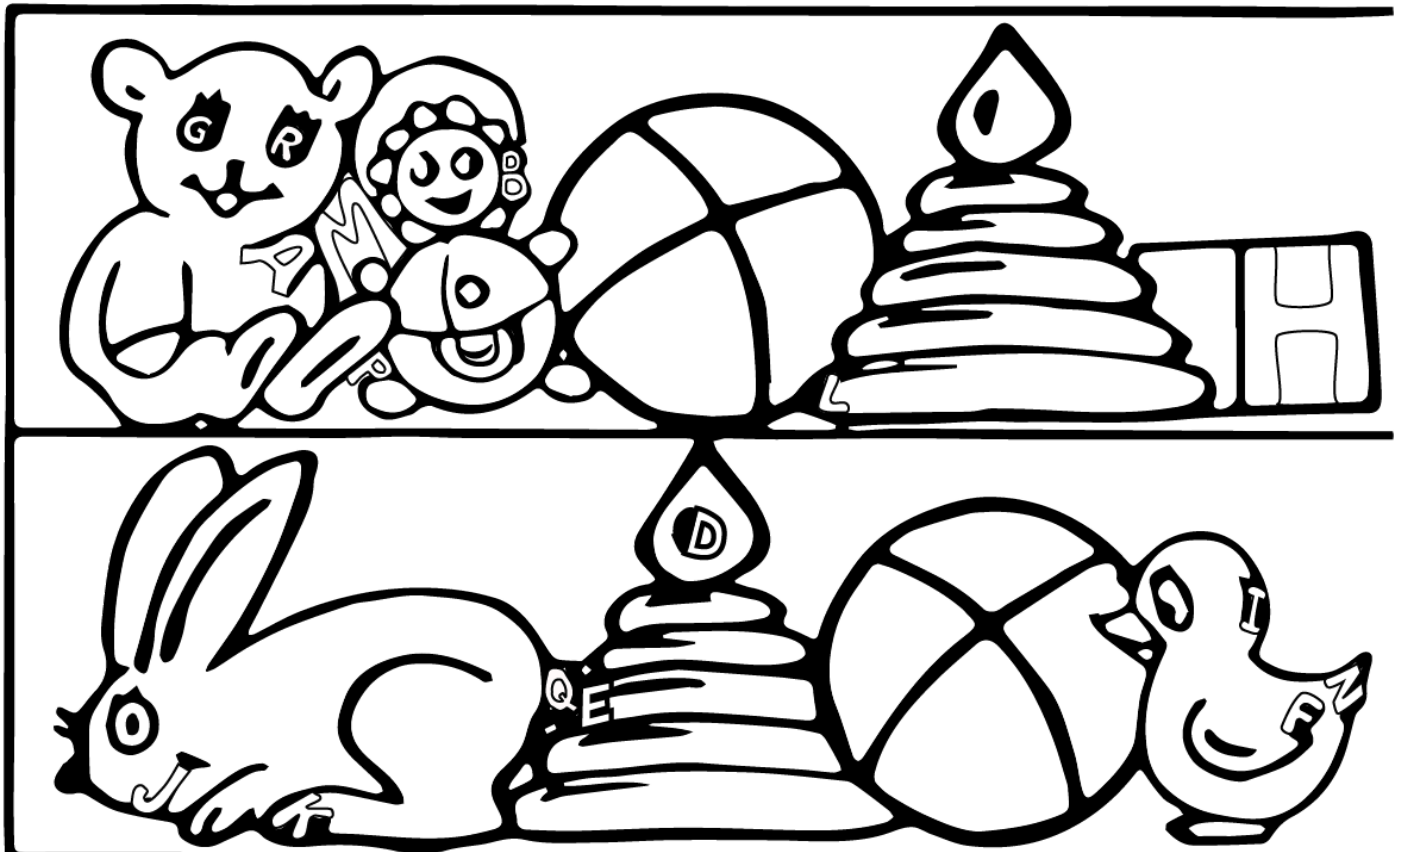

Problem 7

Continue the pattern. Draw what comes next to the best of your ability.

Problem 8

Find and color the letters from A to R hidden in the picture.

Problem 9

Find at least 5 differences between the two pictures.
