Math Enrichment 4-5

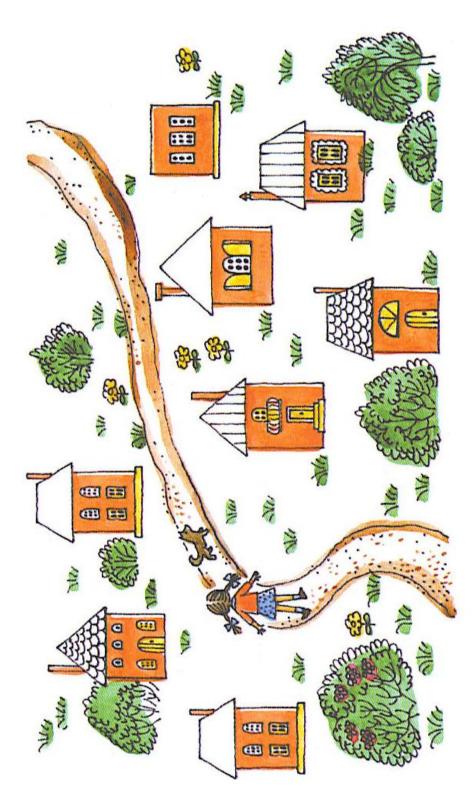

Home Work 14

Problem 1 What fruits do you see in the picture? Color in the circle with the number equal to the number of big apples in blue, the big pears - in red, the small apples - in green and the small pears - in yellow? What fruits are equal?

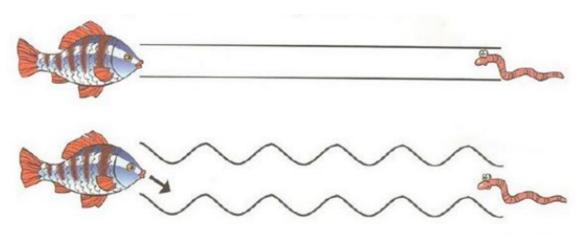

Finish the pattern.

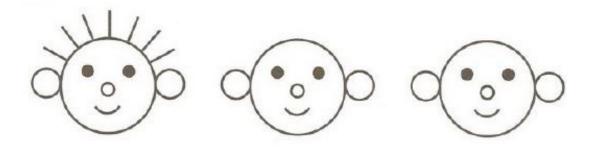

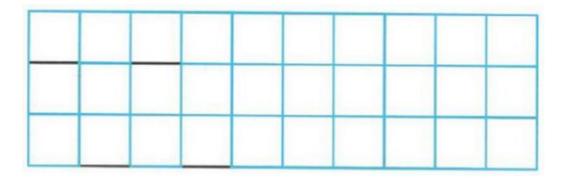

Problem 3 Help the fish get to the worm. Draw the line without lifting your pencil.

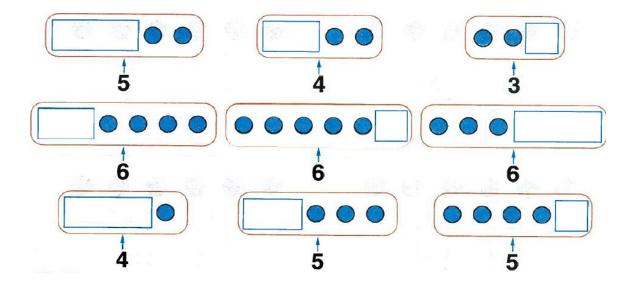

Finish drawing hair on the bald heads.

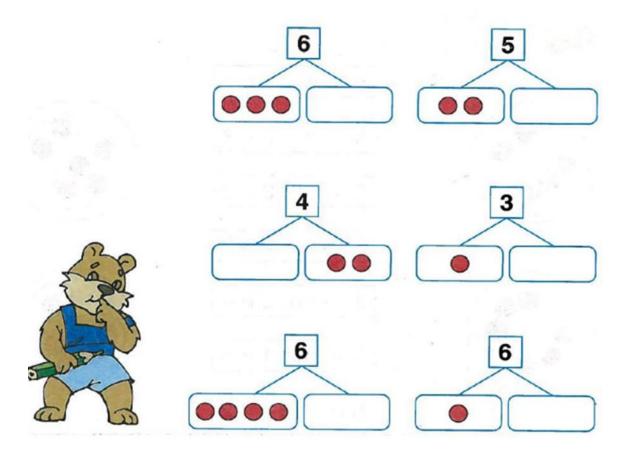

Finish the pattern.

Problem 4 Some circles are hidden. Draw them back.

Complete each picture. And then write mathematical expressions.

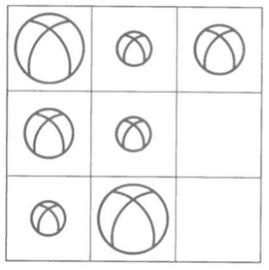

Problem 5 Continue the patterns.

Draw the next snowman.

Draw the missing balls.

Draw the missing pine trees.
