

YOU DO NOT NEED TO PUT YOUR NAME

---

**Looking back at the school year behind us, WHAT WAS:**

1. Your favorite topic (or a single lecture)? Why?
  
2. Most boring topic? Why?
  
3. Your favorite homework?
  
4. Most confusing topic? Why?
  
5. Most useful topic (or a single lecture)? Why was it useful?
  
6. Most difficult topic? What exactly was difficult?
  
7. Did you learn anything completely totally new for you? What exactly?
  
8. On average, how much time were you spending on your Science homework?
  
9. Did you like our HEADBANZ game?
  
10. What do you think about presentations we made?

**THANK YOU!**
