

Math Club 5
MOEMS Math Olympiad
September 27, 2020

Olympiad Information

We will participate in the MOEMS (Math Olympiad for Elementary and Middle Schools). This year, we will join the [OnLine test format](#), which will be held in the Zoom class during the Club hours. The criteria for participating in the competition is given below. If you meet this criterion, you will be automatically registered for the Olympiad. You can find more information about the Olympiad at the following link:

<http://www.moems.org>

There are 5 monthly contests given from November to March. Contest dates at SchoolNova for the 2020-21 academic year are:

Nov 22

Dec 13

Jan 17

Feb 7

March 14

Grade Level

We will participate in **Division E, which is for students in Grades 4 – 6**. Students in higher grades are not allowed to participate in this level. Further, the Olympiad is not recommended for students below Grade 4, as they can become discouraged without proper support. Please refer to their website for more information.

Participation Criteria & Team Forms

If the student's school participates in the Math Olympiad in school, they are not allowed to take it at SchoolNova. Team Forms will be posted in the Google classroom, and emailed to you. Please have your child's School Principal or Assistant Principal sign these forms, as per the instructions.

Practice Olympiads

Parents will be asked to purchase the packets directly from the MOEMS website. Information regarding this will be emailed. Please note that [MOEMS does not allow electronic distribution of their material](#).
