

Math Club 5b  
Math Competition Information Letter  
September 24, 2022

We will participate in the MathCON and the Math League competitions.

**I. MathCON Competition**

We will participate for two grade levels - Grade 5 and Grade 6. Students in each grade level will take the test for their own grade level. Students in the club are automatically registered for this competition. The test consists of 32 multiple-choice questions, with a 45-minute duration. Students are permitted to use a calculator. It is an online test and will be held during club hours.

**a. Test Date (First Round)**

Feb 4, 2023 - Grades 5 & 6

Test results will be announced on March 10, 2023. A small number of students (top 1%) are selected for the Final Round. This test is held in-person in Chicago, IL, in April 2023. Students will be notified if they are selected for the Final Round.

**b. Practice Tests**

There are 16 weekly practice tests which are assigned for homework, and also discussed during club hours. Students should work on the practice tests at home, as indicated in the shared schedule. Each student will be provided login information.
