**1. “Broken Object Contest” EXTENDED ONE WEEK**

– get creative and “break” something!

Using a clear glass or clear plastic cup filled with water (or any other transparent water container, a pyrex dish may work or a vase), repeat a “broken pencil” experiment with a different object - anything you like – not a pencil - make it fun!

Submit two photos of your “broken object” (one from the side and one from the top) by email to [kosobokova@schoolnova.com](mailto:kosobokova@schoolnova.com).

I will combine all photos to show and discuss (and laugh!) in class, so make sure to submit your photos by FRIDAY night so I have enough time to put it all together.

**2. REMINDER: On MAY 21<sup>st</sup> (Sunday Class) and MAY 22<sup>nd</sup> (Monday Class), **OUR LAST LESSON** this year, we will once again play a **TRIVIA GAME** based on what we have learned after the Winter Break.**

Please review the game description that distributed earlier this year.

To continue studying for the GAME this week, review Lectures #17-20.
