

NAME:

1. **Review Classwork #17.**
2. **Explain the *connection* between the following: river, stream, watershed, river basin.** (You may want to sketch an illustration here.)
3. During class, we learned about the greatest river of Africa – Nile; the greatest river of South America – Amazon; and the greatest river system of North America – Missouri-Mississippi. **Search the Internet for the greatest rivers of Europe, Asia, and Australia. List them below and provide any additional relevant details.**

Europe:

Asia:

Australia:
