Закрась столько же кружков, сколько кораблей или машин.

A rectangular box with a green border. Inside, there are two rows of blue ship silhouettes. The top row has five ships, and the bottom row has four ships. Below the ships is a horizontal row of twelve empty circles, intended for coloring to match the number of ships.

A rectangular box with a green border. Inside, there are two rows of teal car silhouettes with red light bars on their roofs. The top row has three cars, and the bottom row has three cars. Below the cars is a horizontal row of twelve empty circles, intended for coloring to match the number of cars.

Проложи дорогу по цифрам, чтобы девочка получила свой подарок.

		6	7	8	9
		5	12	11	10
8	1	4	13	14	18
5	2	3	9	15	19
9	7	12	11		
4	1	5	13		

 Кто потерялся?

- Как называется эта сказка? Посмотри, все ли герои на своих местах.
