

Dear All,

My name is Janna Gabinoff, I will be your SchoolNova Math 1e teacher. Welcome to the online Math 1e class. I'm sure we can still have some fun and learn a lot, even though we won't see each other in person, and only through the computer screen.

Our class will start via ZOOM at 7:00 pm on Wednesday, September 18. The full-year schedule of Wednesday, 2024-25 classes is:

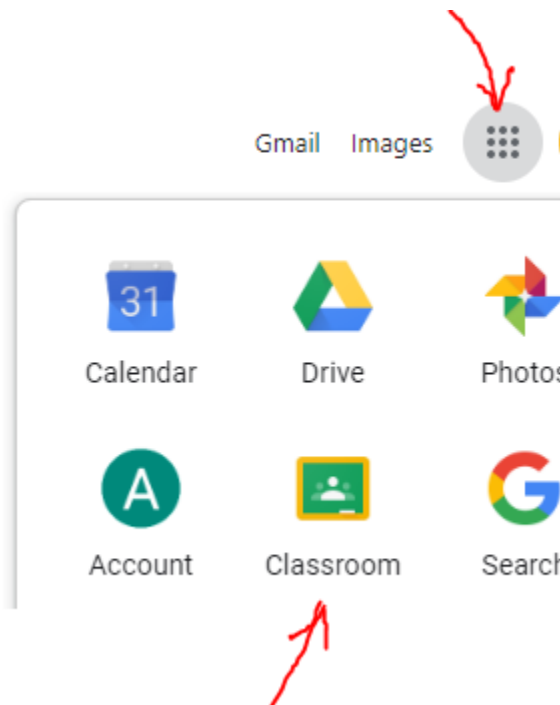

Sep: 18 25; Oct: 2 9 23 30; Nov: 6 13 20 27; Dec: 4 11 ; Jan: 8 15 22 29; Feb: 5 12 26; Mar: 5 12 19 26; Apr: 2 9 30; May: 7 14 21.

The link to our Zoom meeting will be posted on the Google Classroom. In the meantime, please install Zoom on your computer (tutorial link below), and I will see you all on Wednesday, 09/18/24 ☺.

All classwork and homework will be available in the Google Classroom every week. Please print the classwork from the Google Classroom and get it ready before our class. I will post our first classwork on Tuesday evening 9/17 and will continue doing this every week. You must turn in your homework electronically via Google Classroom (tutorial attached) no later than our Wednesday class, the due date will be listed every week. Please accept my invitation for the Google Classroom. The invitation should be in your child's SchoolNova email.

Instructions how to join the Google Classroom:

1. Student login information (student email address and password) is displayed on the family account page on our website www.schoolnova.org
2. Go to google.com and log into student's Gmail using the information above. If there is another google account in use, just "add account". Google allows for multiple accounts with an easy switch between them. The invitation to the classroom could be found in the student's email inbox.
3. Alternatively, skip step 2 and go directly to classroom.google.com by typing the URL or by selecting the Classroom App from the 9 dots displayed on the top right of every google page. Note: the apps may appear in a different order:

Once on a Classroom page, make sure you are still signed in with @schoolnova.org account. Often, google will switch back to what it considers your primary default account. You will see your classes and will be prompted to "Join". Follow the prompts.

The invitation/link to a Zoom session is posted in the classroom. Notifications of all classroom updates are automatically sent to student email.

Please, write to support@schoolnova.org if you have any questions about activating your account or need further assistance,
