

Please post all homework on Google Classroom. This is here only as a reminder. For your class, you are writing a summary of “The Murders in the Rue Morgue.” This shows me that you know the story well enough to move on to write a paper about it. Please write a summary that contains 4 well developed paragraphs. The first paragraph is the introduction which MUST contain 5 sentences. The two body paragraphs MUST contain 5-7 sentence. And finally, the conclusion MUST contain 4-7 sentences. Remember to use upper-level vocabulary, watch your grammar, keep an eye on your capitalization, and alternate sentence structure. Good luck. This must be handed in on Google Classroom by Saturday, February 27th by 12:00 in the afternoon.
