

PLEASE SUBMIT YOUR WORK THROUGH GOOGLE CLASSROOM

NEXT SUNDAY, December 19, we will play a TRIVIA GAME based on what we have learned so far. Please study hard for it!!! You need to review Lectures ##1-10.

1. **Reading Material “Energy Conservation and Transformation”** (can be found on the school website on our class homework page or use the link in the assignment).
2. **Watch the videoclip (DudePerfect 😊) posted in the Classroom. This videoclip is a great illustration of energy being transferred between objects as well as energy changing its form.**
