

Math Enrichment 4-5

Home Work 6

Problem 1 Matching game.

Find the same object as the first one in each row and circle it.

Problem 2 Put all the brown ornaments on the yellow plate. Put the rest of them on the blue plate. Do it by connecting them with lines.

Problem 3

Count the objects. Color in only the number that matches the number of objects on each picture.

Trace 4 and finish the pattern.

Problem 4

Split 4 candies amongst the 2 girls. Write all possible ways you can split the candies in the boxes below. (You can try this with real candies.)

$$\square + \square = 4$$

$$\square + \square = 4$$

$$\square + \square = 4$$

Look at the dominos.

Add (draw) dots on each domino to get 4. Count and write each expression in each one of the blue boxes.

$$1 + 3 = 4$$

$$\square + \square = 4$$

$$\square + \square = 4$$

$$\square + \square = 4$$

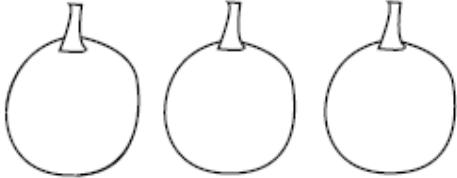

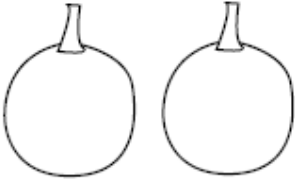

$$\square + \square = 4$$

$$\square + \square = 4$$

Problem 5

Match the row of pumpkins to each given number (draw a line). In the empty space next to each number, try to write the same number.

	0	
	4	
	6	
	3	
	2	
	5	

Problem 8* (optional)

Color in the picture according to the color scheme.
