
PLEASE SUBMIT YOUR WORK THROUGH GOOGLE CLASSROOM

1. Review Lecture #16 and answer the following questions:

A. What is an unsaturated zone?

B. What is a water table (you may want to sketch an illustration here)?

2. Search the Internet for the great deserts of North America, South America, Africa, Europe (yes there is one!), Asia, and Australia. List them below and provide any additional relevant details.

North America:

South America:

Africa:

Europe:

Asia:

Australia:
