

Homework 10

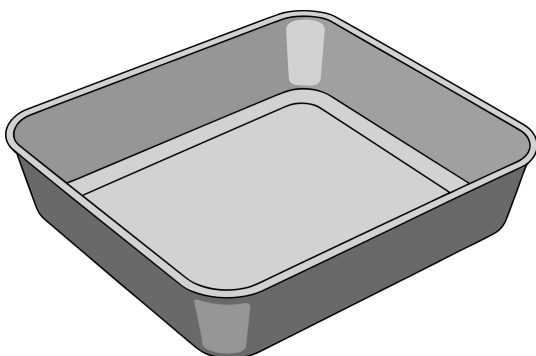

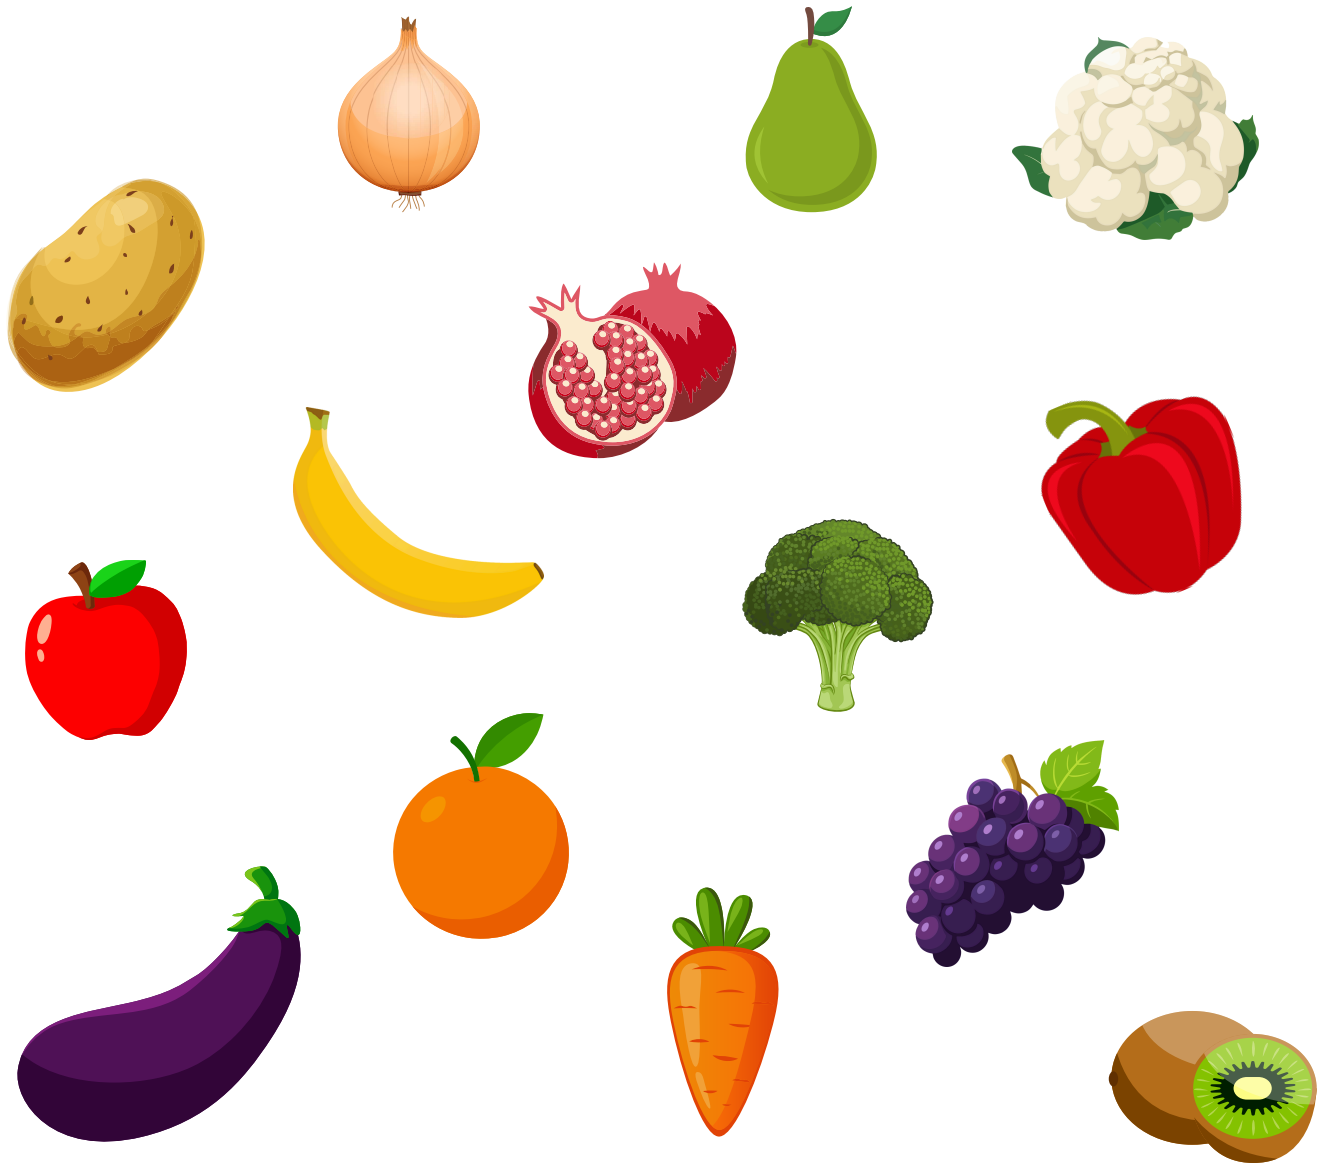

Problem 1

Color all the pumpkins in orange, all the maple leaves in red, all the corn ears in yellow, acorns in brown. Count how many of each object you see and draw a line to the correct number.

**1****2****3****4**

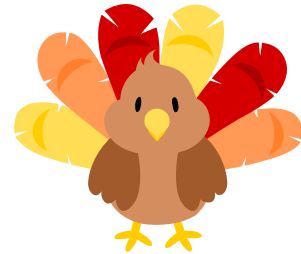

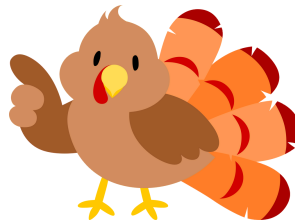

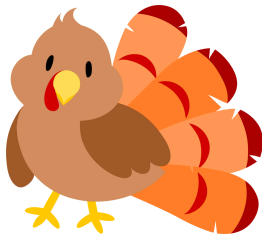

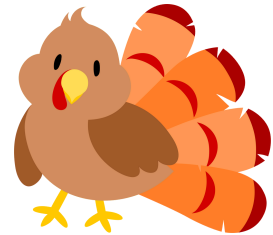

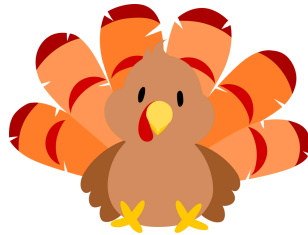

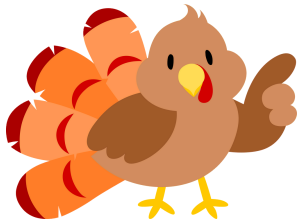

Problem 2

Put (draw a line) the vegetables in the baking dish and the fruit into a bowl.

Problem 3

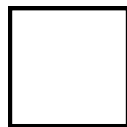

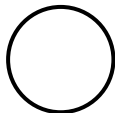

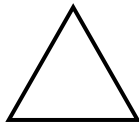

Find two similar turkeys.

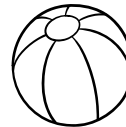

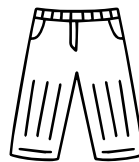

Problem 4

In each group, color only the objects that belong to it.

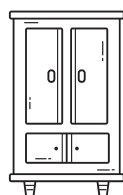

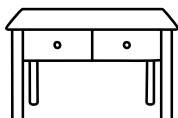

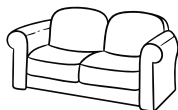

SHAPES

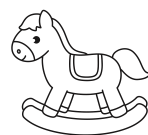

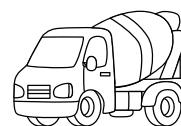

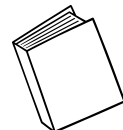

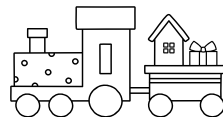

CLOTHES

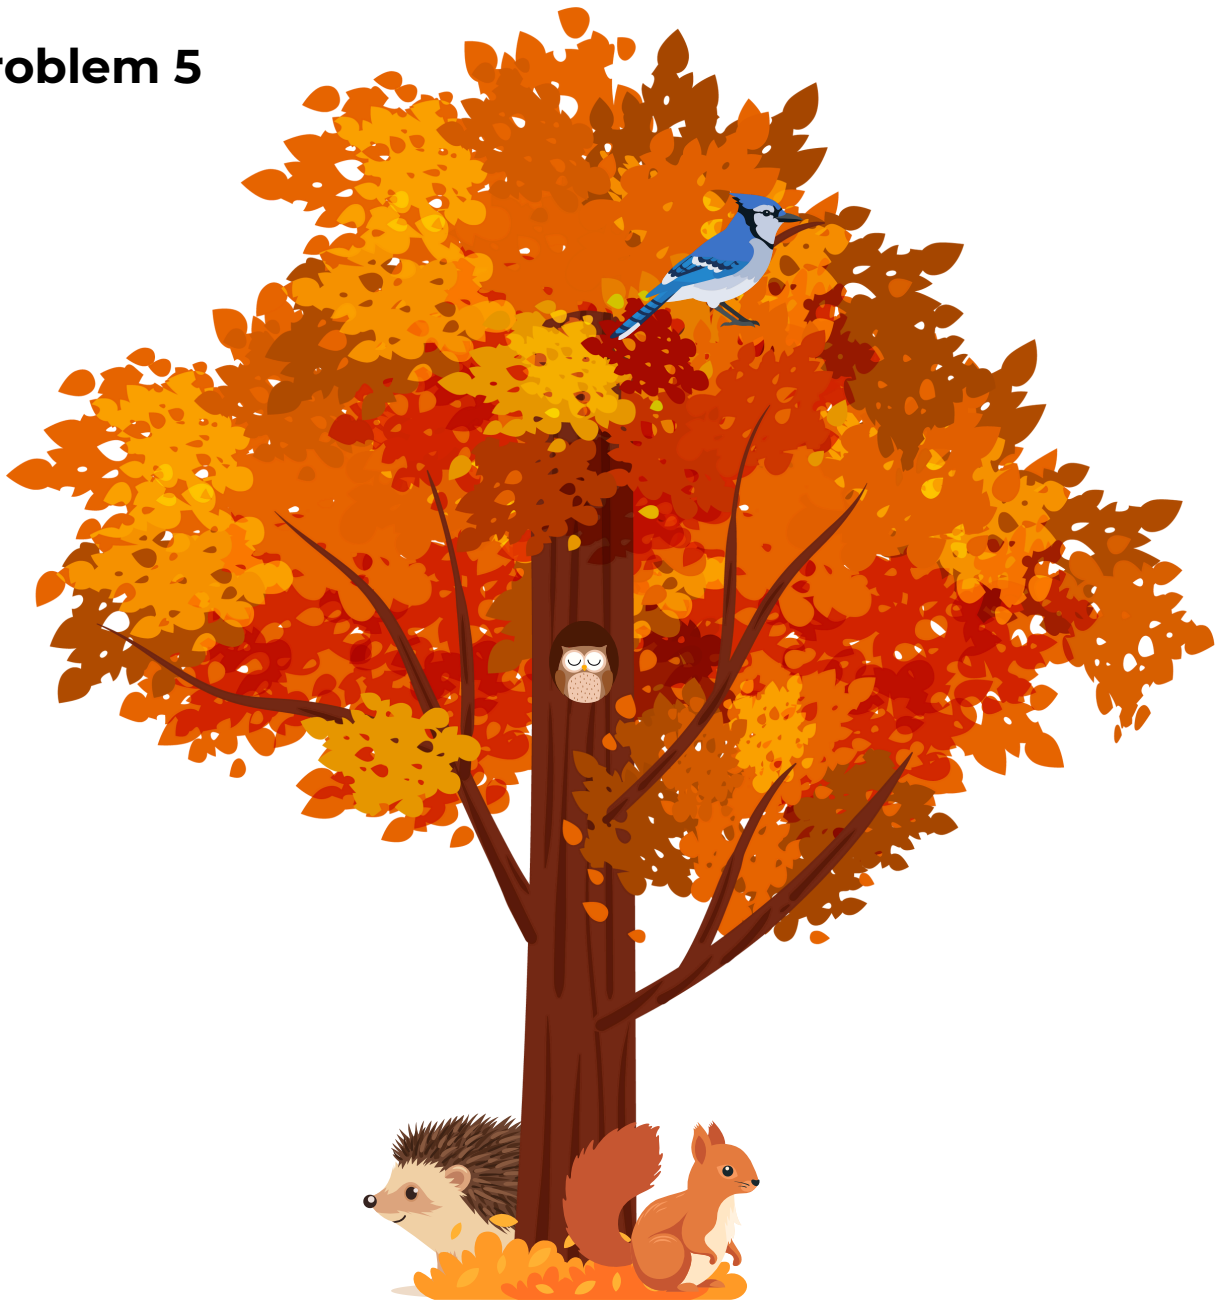

FURNITURE

TOYS

Problem 5

Circle:

Who is in front of the tree?

Who is at the top of the tree?

Who is behind the tree?

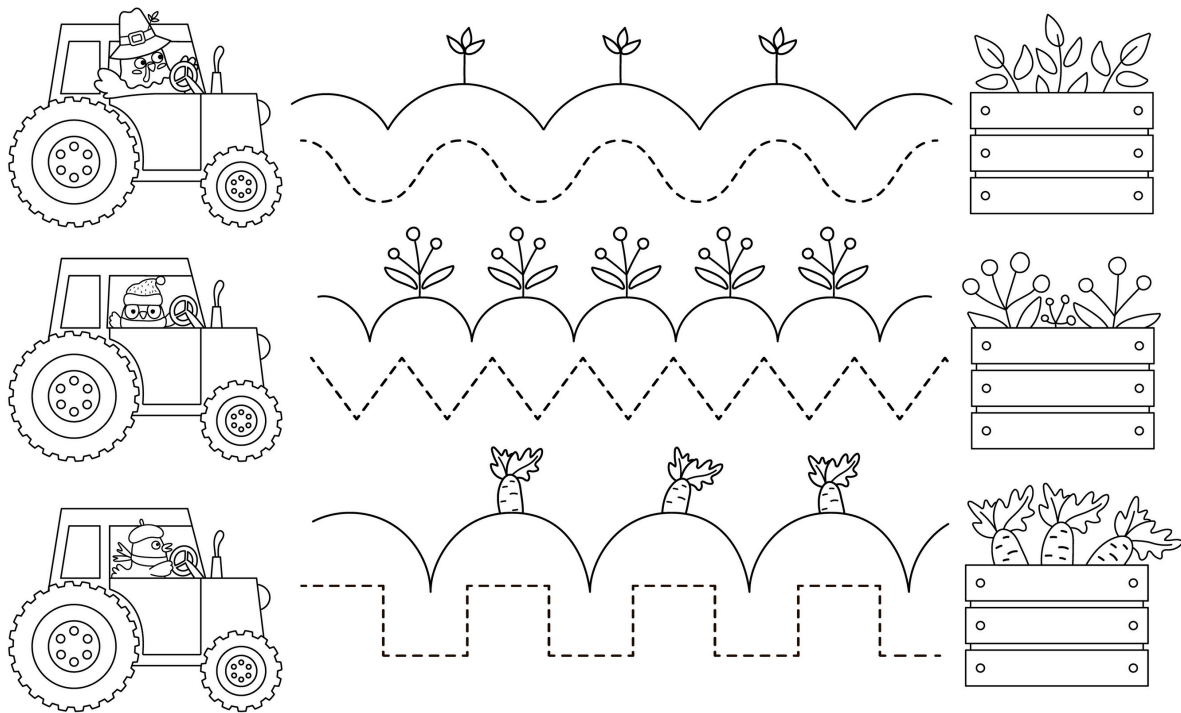

Who is at the bottom of the tree?

Problem 6

Help the tractor harvest the fields - trace the lines.

Problem 7

Go through the maze to connect a group of vegetables with the number that shows how many vegetables there are in the group.
