

# Homework 12

## Problem 1

Kevin is choosing a hat and a scarf. Color the pictures according to the table to see how different hats and scarves look together.

4

2

5

### Problem 4

Find and circle two snowmen that are the same.

## Problem 5

In each picture circle:

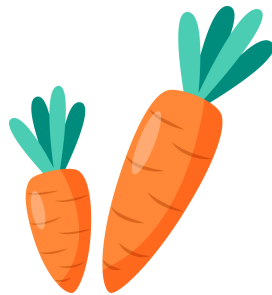

small  
present

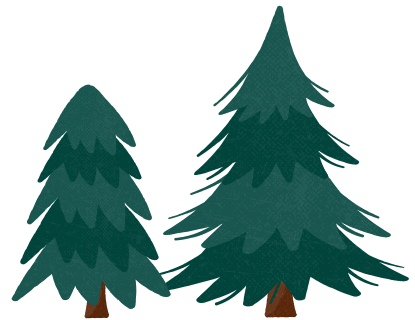

wide  
ribbon

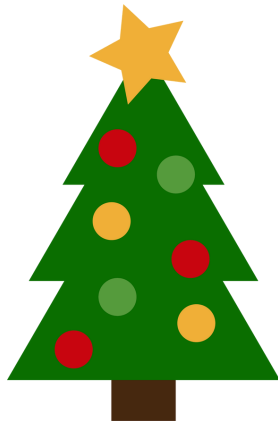

short  
carrot

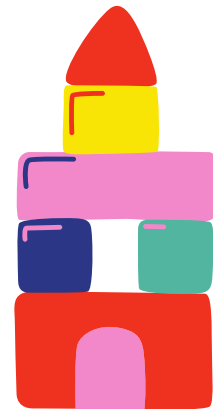

tall  
tree

an  
ornament  
in the top  
of the tree

a block in  
the bottom  
of the  
tower

## Problem 6

Cross out an object that does not belong to the row.  
Think carefully, there is more than one answer!

## Problem 7

Trace the lines and color the ornaments.
