

Homework 4

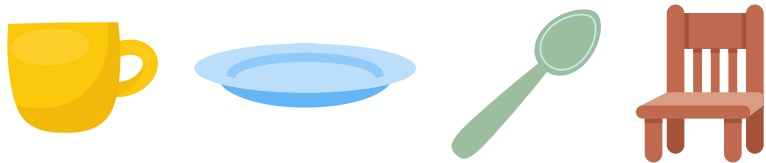

Problem 1

The buttons have scattered! Put the large buttons in the blue box and the small buttons in the green box.

Problem 2

Cross out an object that does not belong in a row. Explain why.

Problem 3

Count how many objects there are in the box and circle the number.

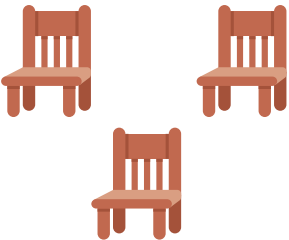

1	3	2

Problem 4

Find what girl does each piece of clothes belong to.

Problem 5

Are there enough bones for each dog? Is there more dogs or bones?

Problem 6

Color the T-shirt of the kid in the same color as the balloon that he or she will get.
