

Homework 6

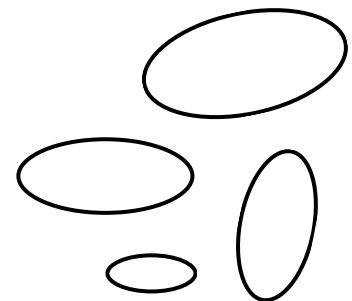

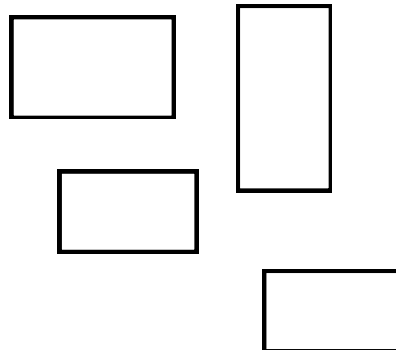

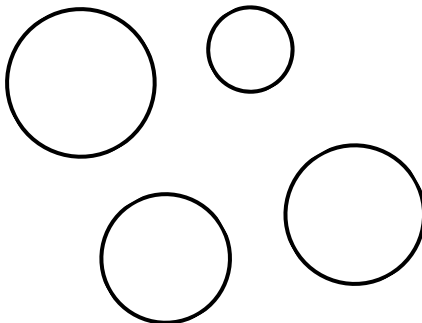

Problem 1

Circle the edible things and cross out non-edible things.

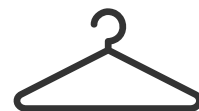

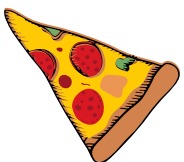

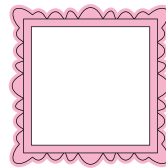

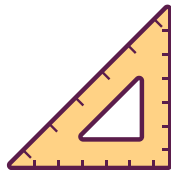

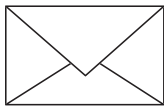

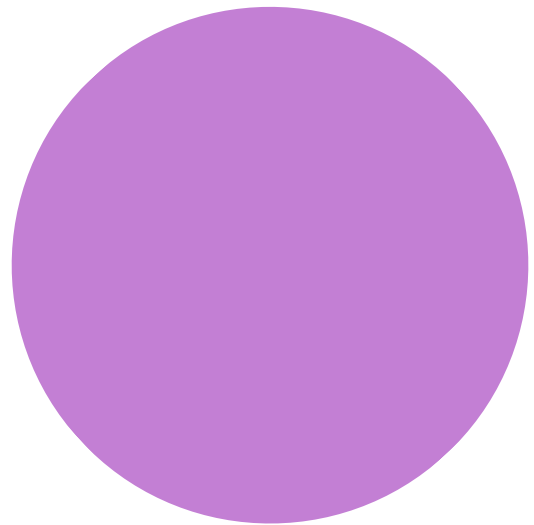

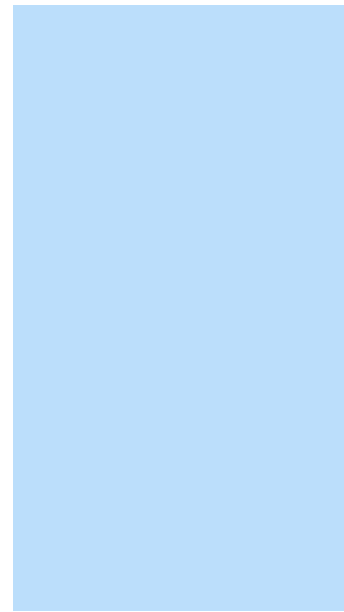

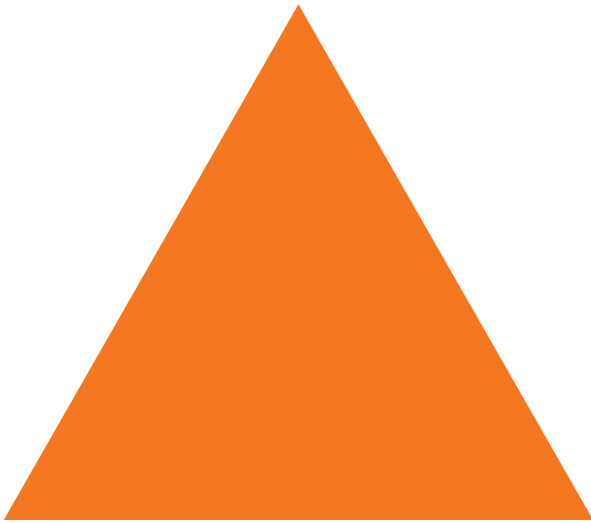

Problem 2

Name each group of objects below. Then, color: 3 circles in blue, 2 ovals in red, and 1 rectangle in orange.

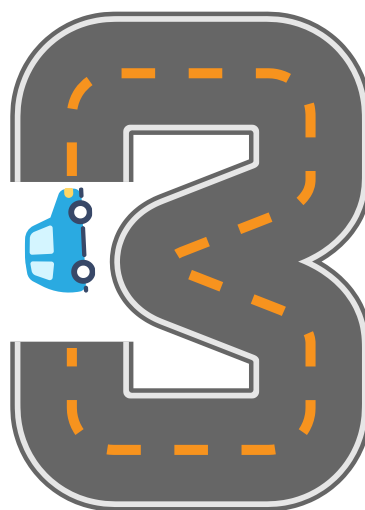

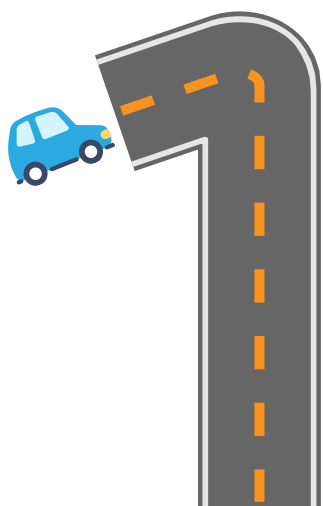

Problem 3

What shapes do you recognize in the objects on the pictures below?
Cut the pictures and glue them to the shapes.

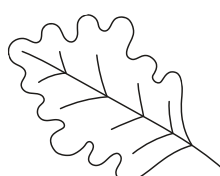

Problem 4

Drive the cars through the roads (trace without lifting your pencil). What numbers do the roads remind you? Put this number of dots in the blue box next to each road.

Problem 5

Color two oak leaves that are the same.

Problem 6

Match details with the towers.
