

Bonjour les amis !

Dimanche 5 octobre 2025

I am posting *the links* here in case not everyone is able to log into Google Classroom yet.

Since we have 2 weeks off, try to space out the French homework so that you do a little bit every other day, for instance.

You have a worksheet to complete (2 exercises). But: **FIRST**, listen and enjoy the alphabet songs:

1. [L'Alphabet 1](#)
2. [L'Alphabet 2](#)

Read aloud the alphabet **letters**

Click on [QUIZLET](#) and scroll down to the list of 26 words. Click on a word, listen to it then repeat. Do the same for all the 26 words.

NOW, do the Worksheets I gave you.

Another link is the alphabet that you can click, listen and repeat:

[Alphabet letters + sounds](#)

Practice, practice,... *pratiquez, pratiquez...* and have fun! *et amusez-vous bien !*
