Dear Parent and Student,

Bienvenue en classe de français 2 - Welcome to French class

My name is Marleine Chiofalo. I am a French national who graduated from the university of Bordeaux Montaigne. I am a faculty member at Holy Child Academy. I am very happy to start this new school year at SchoolNova, sharing my love of the French language with your children.

Each Sunday, we will meet in room **SBS_N111** from **9:15 am until 10:05**. I have invited everyone to our **Google Classroom: Français 2**. Parents, please log in with your child Google account.

Check our **Google Classroom** page at least once a week and review the short lessons. **Always read aloud and memorize** the vocabulary of the day to keep moving forward. Please note that it is easier to visualize the posts by clicking on the top **Classwork** tab. I will mostly give a short homework, which recaps what we learned.

Students, it is important to read aloud the lesson and complete the homework on your own, and not neglect it. **Homework** is part of the learning experience. The more you practice, the more progress you will make. It is ok to make mistakes. We learn from them :)

Materials: every student should have a **composition notebook** to write in and a **folder or binder** for the worksheets that I hand out. Also have a **pen/pencil and eraser**. It is a good practice to learn how to spell the words. Come prepare to work with all your materials.

If you have any questions, please email me: chiofalo@schoolnova.org. If you have trouble with Google classroom or password, contact: webmaster@schoolnova.org.

I look forward to seeing everyone in class every Sunday. *Bonne année scolaire !* Here is to a great school year!

Academic Integrity: it is OK to look up 1 or 2 words online. It is NOT OK to translate a whole sentence or use AI.
